## NOTES

Our pouch is worked in two panels, front and back, which both consist of 9 individual lace heart design swatches. The swatches are arranged in three columns and three rows before patch-working together. Seaming of the sides is completed and then a zipper is attached.

## FINISHING

### Assembly

Divide the swatches into two groups of 9 (9 for the front panel and 9 for the back.)

Align them into three columns and three rows, with a colour layout of your choice.

Seam the swatches together using 'Mattress stitch'. Repeat this for the back panel's 9.

Now seam the front and back together along the left side, bottom edge and right side, leaving the top edge for placing the zipper.

Now sew the zipper to the pouch using 'Running stitch.'

## FINISH

Weave in loose ends and gently steam.
